DELEGATION OF ALLOCATION AUTHORITY
LOCAL ASSISTANCE ALLOCATIONS FOR PROJECT DEVELOPMENT COMPONENTS
OF LOCAL GRANT PROJECTS
RESOLUTION G-01-03 ALLOCATIONS

BACKGROUND

On February 22, 2001, the California Transportation Commission (Commission) delegated to the Department of Transportation (Department) authority to allocate funds by Resolution G-01-03 for Project Development Components of Local Grant projects. In addition, the Commission delegated to the Department authority to advance the allocation by two years with the approval of the responsible regional agency. This authority allows the local agencies to begin work without waiting for the next Commission meeting to receive an allocation.

These Project Development Cost projects are included in the adopted State Transportation Improvement Program (STIP). The Department reports allocations on a monthly basis consistent with Resolution G-01-03.

SUMMARY

Pursuant to the authority granted by Resolution G-01-03, since the last report the Department made two separate allocations of State and Federal Funds totaling \$1,185,000, for two Project Development Components of Local Grant projects. Pursuant to the authority for advancing the allocation by two years, there were no advance allocations made during this report period for projects scheduled for implementation in Fiscal Years (FY) 01-02 and 02-03. A list of all of the allocations is attached.
